## **Guidelines**

The following information is provided for all Members enjoyment of the game.

### **Start Times**

**All Members and visitors must report to the Pro Shop at least 15 minutes prior to Tee-Off time. Members must notify the Pro Shop at least 24 hours prior wherever possible if unable to play.**

### **Score Cards**

For your score card to be "valid", at the end of a game, it must be completed with the date, signed by player and marker and your **correct gross** score entered into the computer.

- The GA Connect handicapping system requires mandatory data and it is the Player's responsibility to ensure it is provided on the card. So double check with your marker before placing the card into the competition results box or by submitting card through the Simple Golf App.
- A score card (or app card) must be submitted after each competition game. Please note a score will be recorded regardless

### **Dress Requirements**

All Club Members playing in competition games are expected to wear appropriate golfing attire.

### **Membership Fee Renewals**

All fees become due as of 30th June each year. Regulations allow a one month grace period during July after which a Member will be deemed "non-financial", and will be removed from the Register of Membership. If this happens, and unless there are exceptional circumstances, then a fresh application for membership may need to be made.

**Note:** Membership fees are non-refundable.

### **Insurance**

Golf Australia maintains a Player's Personal Liability Insurance Policy for all members of affiliated golf clubs. Broadly, this policy covers the legal liability of a member to pay compensation for personal injury or property damage which occurs while playing or practicing golf, or attending a golf event or venue as a player, guest or spectator.

A member or visitor must notify the pro shop immediately on completion of the round if he or she suffers injury, causes injury to other persons or causes damage to property. The member should also notify the Management Committee in writing as soon as practicable after the incident.

Personal accident insurance and insurance covering loss of golf equipment, if required, should be arranged by our members through their own insurers.

### **Weekly Competition Prizes**

Prizes won in a weekly competition may be accumulated and are redeemable only from the Pro Shop. Prizes may not be redeemed as cash payments under any circumstances.

### **The Club's current policy on Unclaimed Prizes is as follows:**

#### **Financial Members**

The prizes will be held for the member to redeem when convenient to him/her. Time limit applies.

#### **Unfinancial Members**

Members who do not renew their membership will have until 31st December in the year of membership expiry to claim their prizes.

#### **Visitors**

Prizes unclaimed for over 3 months will be forfeited.

#### **Playing Visitors**

All golf playing visitors are subject to the guidelines and rules of Hurstville Golf Club and it is the responsibility of the Member hosting the visitor(s) to ensure compliance. All golf playing visitors in a competition must have a current GA Golf Handicap. **Visitors may not book in prior to Wednesday of a Saturday Competition.**

#### **NSW VGA Annual Affiliation Fee**

The HGC pays an affiliation fee to the NSW Veteran Golfers Association on behalf of Senior (over 55 years of age) HGC members. This allows Seniors to play in all NSW "Weeks of Golf" throughout the State and National events.

**6-day members** may now book in a Saturday competition from the Wednesday before the Saturday competition.

## Local Rules

These are considered supplemental to the Rules of Golf and must be read in conjunction with the Rules of Golf. The current version is available from the Pro Shop with upgraded versions displayed on the member's noticeboard; please take note of any changes.

## Mobile Phones

Mobile phones taken onto the golf course must be switched to silent, as a matter of etiquette. They may be used for scoring and as a GPS device. Only in emergency circumstances can the phone be used (with discretion) to take calls.

## Slow Play

It is the responsibility of the player with the lowest handicap to maintain the position of their group in the field. If their group fails to keep up with the group ahead it is that player's duty to call the following group(s) through at the appropriate time i.e. approaching 3 minutes for lost ball.

Remember your place in the field is immediately behind the group in front, not immediately in front of the group behind.

Please refer to the Slow Play Policy.

## Handicap Cards and Limits

To qualify for a GA handicap a member must submit 3 cards, 2 of which should be played at the Hurstville course. The best of these scores is then used to calculate the new handicap.

Players with Provisional GA Handicaps will not be eligible to win prizes in competitions until their handicap returns to a normal status.

The following handicap limits will apply to all events organised by the Hurstville Golf Club unless otherwise advised by the Match Committee.

### Members:

- Men 36.
- Ladies 45

### Visitors:

- Men 32.
- Ladies 45.

## Club Championships (Saturday)

To qualify a member must be a 7 day member and have competed in 6 Saturday validated club competitions in the 6 months prior to the championship.

### **Stroke (Scratch & Handicap)**

This will be a stroke competition played over four consecutive weeks, the last being a mandatory seeded draw (scratch scores). The winner will be the player with the lowest number of strokes over the four rounds. In the event of a tie (scratch) there will be an 18 hole playoff the following Saturday. There will be A, B & C grade scratch and handicap competitions for men and a ladies scratch and handicap competition. Members will remain in the grade in which they started. Play will be from the Blue Globes for Men and the Red Globes for Women.

A, B and C Grade handicaps will be determined by the Match Committee.

### **Foursome Championship**

This will be a stroke event played over 2 consecutive weeks and will be played using the Foursome format (see later in booklet for rules) and will be a gender neutral event. (A team of men, ladies or mixed partners)

### **Matchplay Handicap Championship**

There will be two qualifying rounds held over two monthly medals and the top 16 players with the lowest net scores will compete under normal matchplay conditions over four consecutive weeks.

### **Midweek Championship**

It will be a stroke event held over 3 consecutive weeks. To qualify a member must have competed in 6 Mid-Week club competitions in the 6 months prior to the championship.

### **Medal of Medals**

A player qualifying for multiple grades will play for the Medal of Medals in the grade in which they are currently competing.

***Members are Required to ensure that they are aware of the rules of competition prior to commencing play.***

***Please Note: The domes take precedent over the plates for all competitions.***

## Golf Competitions and How They Are Played

### Stroke (Medal) Events

The score at each hole is entered on the score card totalled and the player's full handicap deducted. The player who completes the stipulated round in the fewest nett strokes will be the winner. Maximum Score rule applies to all stroke events. A player is able to pick up their ball once they have reached a maximum score on a hole. The maximum score is recorded as their score on the hole. The maximum is set at 10 shots.

### Par Events

In par play the score is entered on the card in the same way as in stroke play with the exception that where the score exceeds par for the hole, after allowing for a handicap stroke (if the player is in receipt of one), the score need not be written in. It is the custom that when a player is beaten by par, the ball shall be picked up. This helps speed up play.

After entering the stroke score on the card, the result is marked in the column provided with a '+' sign for a win, a '□' for a half and a '-' for a loss. At the end of this round the plus and minus signs are added and this nett result written in as so many 'up', 'down' or 'all square'. For example + 1; - 2; or □ .

A player is allowed his full stroke handicap and the strokes are taken at holes as indicated on the card. Where the handicap is more than 18, two strokes will be allowed on the number of holes that the handicap exceeds 18. These strokes will be taken in the same order as followed for the first 18 holes, unless the index goes beyond 18.

### Stableford Events

The method of playing a Stableford Competition is for the player to take strokes at holes as in a PAR competition using full handicap and to score points on the nett result of each hole. At the end of the round all points scored are added up and the player having the highest number of points is the winner.

In scoring, after allowing for handicaps, a player who scores PAR receives 2 points, for 1 over par = 1 point, for a birdie or 1 under par = 3 points, for an eagle or 2 under par = 4 points, and so on.

For example, a player receiving a stroke on a par 4 hole scores 4, giving him a nett 3; for this he receives 3 points. A player at a par 3 hole scores a 4 but does not receive a stroke; for this he would receive 1 point.

### **Two Ball Best Ball (2BBB) v Par**

Two players play as partners, each taking strokes at holes as in a par competition. If one of the partners wins a hole and the other halves it only the win is counted. If one halves a hole with PAR and the other loses it only the half is counted and so on. Plus, half and minus signs are added at the end of the round and recorded as in an ordinary par competition.

In a two ball event care must be taken to mark the scores of each player in separate columns headed by the initials of the player. If the scores are mixed and it is impossible for the Committee to check the card the players will be disqualified. Number of strokes taken must be shown.

### **Two Ball Best Ball (2BBB Stableford)**

Played in exactly the same manner as above except that the better ball of the partnership will be credited with points instead of plus, half or minus.

### **Foursomes**

Two players play as partners and use one ball. The partners strike off alternately from tee and thereafter strike the ball alternately during the play at each hole. Scoring is done as for a stroke round and the total is subject to a deduction of half the partners aggregate handicaps.

Note: If either player incurs a penalty stroke it does not alter the rotation of play. In a foursome stroke play competition which consists of more than one stipulated round the order of play will be changed between rounds unless the Committee has laid down as a condition of play that the original order of play must be preserved throughout the competition.

N.B. All the foregoing competitions are forms of stroke play and subject to the rules governing stroke play.

Special rules for Par and Stableford Competitions are set out in Rule 32. Rule 31 covers the special rules for Twoball, Par and Stableford Competitions.

Rule 29 is relevant to Foursomes events, which may be played under stroke play rules or match play conditions as determined by the Match Committee.

### **Mixed Foursomes**

Mixed foursomes are played in the same manner as foursomes except that the ladies use their own tees and observe their own local rules when it is their turn to play.

The Committee shall lay down as a condition of play whether the male or female is required to play from the first tee, and in competitions played under stroke conditions, and consisting of more than one stipulated round, whether this order is to be preserved.

### **Two Stroke Canadian Foursomes**

Played as a foursome except that both players play tee shots at every hole and afterwards continue with whichever ball they nominate.

The handicap of each team is calculated by taking  $\frac{3}{8}$  of the aggregate of the team members' individual handicaps. Maximum handicap for Men is 27.

### **American Foursomes**

Both players play tee shots at each hole, and then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with the owner of the ball selected playing the third stroke. The handicap of each team is calculated by taking  $\frac{3}{8}$  of the aggregate of team members' individual handicaps.

Maximum handicap for Men is 27.

### **Ambrose Competition**

Playing in handicap order from highest to lowest, each player plays a tee shot at each hole. The Captain selects the best ball and marks its position.

Each player's drive must be used at least three times (Four ball Ambrose) and four times (Two Ball Ambrose ) in the round and marked on the card otherwise disqualification will occur.

Each player then places their ball within 1 club length and plays in the same order.

If the selected ball lies in the rough or penalty area, each player will place their ball within one club length, not nearer the hole, in the rough or penalty area. When on the green the ball may be putted out of turn.

Handicap 1/8 of team aggregate for 4 ball ambrose (if only 3 players 1/6) and 1/4 of aggregate for 2 ball

### **Multiplier Events**

Two Ball Multiplier is scored each hole by multiplying player A's stableford score for the hole by player B's stableford score. For example player A scores 2 points and player b scores 3 points, then the two ball score is 6 points. If either player fails to score then the two ball score is nil.

### **Irish 6's Stableford**

Played as an ordinary stableford with a team of 4 players. It is scored in the following manner

Holes 1-6: One best score

Holes 7-12: Two best scores

Holes 13-18: Three best scores

### **Eclectic Competition**

An eclectic, or eclectic tournament, is a multi-round golf tournament that results in one 18-hole score per player. Eclectics work this way: Participants play X number of rounds, and compare their scores on each hole per round. The lowest score made on each hole is recorded, producing an 18-hole score. The Match Committee will decide whether full or half handicaps be deducted at the completion of the competition.

Members are required to register for the competition and the computer system will calculate the scores.

### **Medley Competition**

Any combination of men and ladies. Full handicaps are used for scoring.

### **Match Play Events**

In all progressive knockouts players shall play at all stages of the competition on handicaps current on the day of play. In all such competitions unless prior mutually agreeable alternative arrangements have been made the match will be played at the time and on the day listed on the draw. No match may be played concurrently with a club competition

### **Eagles Nest**

It is played for on Saturday and Tuesday competitions only. It can only be won by a HGC member and they have to be within 1 metre of the pin with the member nearest the pin will be awarded the Eagles Nest.

***Please Note; There must be a minimum of 8 players for a Men's / Medley competition and 6 players for a Ladies competition.***

***For further information please refer to the HGC By-Laws on our website.***
